DATA SHEET

ProSolve Thin Bleach - Technical Data Sheet

Product Code: PVB5

Pack Size: 5 Litres

Product Description

ProSolve Thin Bleach is a ready-to-use professional bleach designed for disinfecting and cleaning hard surfaces. It disinfects and kills germs on most hard surfaces, helps eradicate malodours at source and keeps drains and toilets hygienically clean. The product is suitable for use in drains, floors, lavatories and general disinfecting and cleaning applications.

Applications

- Drains
- Toilets and lavatories
- Floors
- General hard surface disinfection
- General cleaning applications
- Professional hygiene and maintenance tasks

Features & Benefits

- Ready to use
- Fast acting
- Disinfects and kills germs
- Cleans and freshens
- Effective against a wide range of pathogenic organisms
- Helps eradicate malodours at source
- Suitable for drains, floors and lavatories

Directions for Use

Use undiluted for drains, toilets and similar applications. For general disinfection, dilute 1 part product with 80 parts water. Use bleach solutions with care and store safely. Do not mix with other cleaners. Keep separate from acids.

Typical Technical Data

Appearance: Liquid

Colour: Colourless to pale yellow

Odour: Chlorine

pH: 11.5 as supplied

Relative Density: 1.05 @ 20°C

Solubility: Soluble in water

Flammability: Not classified as flammable

Composition Information

Contains sodium hypochlorite. Contains less than 5% chlorine-based bleaching agents.

Storage

Store in the original tightly closed container in a dry, cool and well-ventilated place. Protect from light. Store away from acids. Store between 5°C and 25°C. Keep out of reach of children.

Limitations

Do not mix with other cleaners. Keep separate from acids. Do not use on metal surfaces such as stainless steel or chrome. Bleach can damage carpets, fabrics, plastics, lino floor coverings and many other common materials. Avoid contact with skin, eyes and clothing.

Health & Safety

Causes skin irritation and serious eye damage. Warning: do not use together with other products as dangerous gases, including chlorine, may be released. Wear suitable protective gloves and eye protection. Always read the product label and Safety Data Sheet before use.

Packaging

5 Litre container

Product Code: PVB5
