ROCKFORD

CODE BC52526 H77
COLOUR DARK GREY
SCS S3S SR FO

DESCRIPTION

Rockford combines lightweight performance with tough protection, delivering all-day comfort while standing up to the demands of challenging work environments. A distinctive woven industrial nylon upper, reinforced with heat bonded rubber toe guards and stitched athletic-inspired lace ghillies, ensures durability shift after shift.

The dual-density, low-profile outsole is slip resistant with a Bobcat traction-inspired tread pattern for reliable grip and stability. Its non-marking construction makes it safe for use on protected surfaces.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with energy-returning Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.

KEY FEATURES
