Cederroth Wound Care Dispenser

- Includes a wound wipes dispenser, pilferproof dispenser with 3 types of Salvequick plasters and a dispenser for soft foam self-adherent bandage
- Lid protects contents from dust and moisture
- Lockable
- Non-sterile contents

The Cederroth Wound Care Dispenser provides everything you should need to deal with minor wounds in a practical dispenser. It contains Cederroth's blue soft foam bandage, a self-adherent, adhesive-free plaster that stays in place even in water. The dispenser also contains wound wipes and a large number of Salvequick plasters: 40 fabric plasters, 45 plastic plasters and 21 extra large fabric plasters. The Cederroth Wound Care Dispenser is a compact and excellent supplement to a first aid station or other first aid provision and can be located close to where there's a risk of suffering cuts. A protective plastic dust cover keeps the contents clean and the dispenser is refilled using the refill key supplied.
