

TECHNICAL SPECIFICATION

EVO®2 Mid Peak OneTouch™ Slip Ratchet Vented

Pink / AJF030-003-900

DESCRIPTION

The EVO®2 Comfort Plus helmet combines a super strong shell for superior all day protection in the widest range of environments, with the comfort benefits of the new Evolution® 3D Adjustment™ harness system. EVO®2 is a true evolution of the long-established MK®2 and MK®3 helmets. The EVO®2 retains the JSP signature styling while incorporating developments first seen in the EVO®8. Packed full of the latest protection technology and features.

FEATURES

Firmest Fit Available

The deep nape strap enables the firmest retention of any helmet, keeping it firmly rooted on the head. The OneTouch™ slip ratchet makes it simple to tighten to the perfect fit.

CR2 Reflective

Using Class RA2, high intensity reflective. CR2 is the biggest step-up in night time visibility/reflectivity of head protection to date. Conforms to Class RA2, EN12899-1.

Supreme Comfort

A traditional 6-point polyethylene harness making the EVO@2 the more economical choice, whilst still providing the same high performance as the EVO@3.

Ventilation Option

Side and rear ventilation for optimum air movement inside the shell, reducing helmet temperatures by an average 2-3 degrees.

3D Adjustment

The polyethylene harness features unique 1-2-3 point depth settings. This offers the most precise fit attainable on an industrial safety helmet.

Accessories

Universal attachment slot enables firm fitting of a range of safety visors and ear defenders.

JSP Logo Express®

Strengthen your corporate identity by applying a company logo on a range of our safety helmets. Minimum order quantities and set-up charges apply.
