

# **Electrical Protection** Class 0 - RIG011, **RIG014**

Ergonomically designed natural rubber insulating gloves for all-day safety and comfort

Previously known as: MARIGOLD E014B, E014Y, E016B & E16Y

## Ultimate fit, comfort and performance for electrical workers' safety and protection

- Electrical Insulating Gloves are made from natural rubber latex using a proprietary environmentally friendly dipping process for ultimate flexibility and dexterity
- Their ergonomic hand-at-rest shape and nonsplayed fingers reduce hand fatigue
- The generous flared cuff allows room for clothing
- The design also features a smooth-finish for easy donning and doffing
- Certified for resistance to acid (Category A), Ozone (Category Z) and very low temperatures (Category C)
- Applications with risk of touch voltage AC≥1000 V (DC≥1500)

### **Industries**

- Automotive
- Electrical
- Construction
- Mining
- Machinery and Equipment

### **Applications**

- Applications with risk of touch voltage
- Electrical Contractors
- Hybrid engine manufacturing and repair
- Maintenance Repairs and Operations in all industrial environments (MRO)
- Mass Transit Repair and Maintenance
- Power maintenance, repair & transmission
- Telecom repair near electrical wires

# Electrical Protection Class 0 - RIG011, RIG014

Ergonomically designed natural rubber insulating gloves for all-day safety and comfort

Previously known as: MARIGOLD E014B, E014Y, E016B & E16Y

## **Key Features**

- Performance Profile comfort
- Natural Rubber Latex for ultimate durability and flexibility
- Ergonomically-designed hand at rest shape for less hand fatigue
- Generous flared cuff allows room for clothing and improves ventilation
- Case hardened finish provides smoother surface for easy donning and doffing performance and protection
- Product meets all applicable NFPA, OSHA and CSA standards
- Environmentally-Friendly
- Proprietary dipping process
- ISO 14001 certified manufacturing facility
- Electrical Glove Class 0 offers arc flash protection Class 1 in accordance with EN 61482-1-2

### **Performance Standards & Regulatory Compliance**

### **REACH Compliant**
