

Advantage 200 LS

Facepiece-to face Anthrocurve

The Advantage 200 LS is a comfortable, efficient and economic half mask. It is ideal for applications where workers are exposed to various hazards from job to job, such as high concentrations of fumes, mists and gases.

With its patented MultiFlex system the Advantage 200 LS offers maximum protection and high wearing comfort. The soft, pliable combination of rubber and plastic provides a customised and pressure-free fit, instantly conforming to the wearer's unique facial characteristics.

The Advantage 200 LS comes in three sizes and has a complete and exclusive filter programme to protect against harmful particles and/or gases.

	Features	Benefits
Excellent wearer comfort	Well-balanced, low weight design	Pressure-free fit
Optimal protection	MultiFlex (soft sealing line with robust mask body)	Excellent face-piece-to-face fit
	Anthrocurve pre-formed nosepiece and adjustable head harness	Perfect adaptation to different face shapes
Cost effectiveness	Low maintenance design	Easy to clean
	Wide range of filters	Serves various applications
	Bayonet filters also suitable for Advantage 3200 and 420	Rationalisation of stocks
