GRIPPS® Little Gripper Kit

SAFETY INFORMATION

⚠️ WARNING Before using the GRIPPS® Little Gripper Kit, read all provided safety information pertaining to the use of your Dropped Tool Prevention (DTP) device. **FAILURE TO DO SO COULD RESULT IN INJURY OR DEATH.**

The user of a DTP device bears the responsibility of reading all safety information contained herein. Keep this manual for future reference.

Intended Use:

When used properly, the GRIPPS® Little Gripper Kit can prevent workplace hazards resulting from dropped tools. These may include personal injury and material damage.

GRIPPS® does not approve use of this device for any activities not described in the User Instructions. This device is not intended to be used in any recreational activity, as a personal fall-arrest device or in any other manner not described herein.

⚠️ WARNING Misuse of this device could result in serious injury or death.

Adhere to all manufacturer recommendations regarding the operation and maintenance of this device. For additional information, contact GRIPPS® customer support.

Read and adhere to the following in order to ensure correct operational functionality:

- Your DTP should never be used as a personal fall-arrest device or restraint system.
- Do not use this device with tools that exceed the specified maximum load/weight.
- A DTP device used in applications that exceed the limits of operation specified by the manufacturer should be considered unsafe and should be replaced.
- Do not tether a tool over 2.5kg/5.5lbs directly to your clothing or person.
- Inspect your DTP device before each use.
- Ensure the DTP device is securely connected to a load rated tool connector or anchor point before use.
- Inspect any tool connector point before it is connected to the DTP device.
- Modification of the DTP device voids all warranties and violates manufacturer recommendations.
- Do not use a tool that cannot be connected to your DTP in the manner specified by GRIPPS®.
- It is unsafe to extend the length of the DTP product by any means.
- Do not use this product if it will create an unsafe working environment.
- Use extra precaution around moving machinery, moving parts, electrical hazards, extreme temperatures, chemical hazards, or combustion hazards.
- Avoid contact between any connected tethers and rough or sharp edges.
- Regularly inspect your tool in use & connected tethers to ensure they are free from any dust, grime or debris.
- All connected tools and equipment, including connection points, must be compatible for use with this DTP device.

- Always wear appropriate personal protective equipment.
- If a tether has arrested a dropped tool or object, it should be taken out of service and replaced.
- All procedures shown in this instruction are for GRIPPS® Little Gripper Kit products only.

GENERAL USE AND CARE

If you need a tool tethering solution that's quick to apply and doesn't hamper tool functionality, then you need a Little Gripper. Moulded from a specialised TPU material, the Little Gripper provides an instant load-rated tool connection point without the need for adhesives. Compatible with round and polygonal-shaped shafts, the 4 sizes cover a massive range of tools including screwdrivers, punches and more.

Recommended Use of GRIPPS® Little Gripper Kit:

1. Use with rectangular shaped devices with a minimum size of 135mm x 65mm x 7.0mm (5.3" x 2.5" x 0.3") and a maximum size of 160mm x 80mm x 10mm (6.3" x 3.0" x 0.4")
2. Best used with GRIPPS® Wrist Tethers, such as product codes: H01060, H01062.

Before Use:

Thoroughly inspect your GRIPPS® DTP device before each use. Do not use any component that presents deformities or deterioration.

HOW TO USE / INSTRUCTIONS:

Apply little gripper to tool using appropriate size.

- Size 1 = 3.5 mm – 6.0 mm | 0.1" - 0.2"
- Size 2 = 5.5 mm – 9.0 mm | 0.2" - 0.3"
- Size 3 = 8.0 mm – 13 mm | 0.3" - 0.5"
- Size 4 = 12.0 mm – 16 mm | 0.5" - 0.6"

Apply the GrippLink to the tool shaft. Where possible, insert tool through the smallest end of GrippLink.

Apply the Little Gripper to your tool, ensuring a snug fit.

Two Little Grippers may be used without a GrippLink when using GRIPPS H01067 tether.

Connect a tether up to 25cm in length to the GrippLink.

After Use Care:

Clean and inspect the Little Gripper Kit and any connected tethers. For tougher stains, use warm water and a mild soap or detergent. Do not use again until dry.

Store in a clean and dry environment. Proper care will help to ensure that it will operate effectively and extend its service.
