Product information

Designed to optimise strength, durability, and flexibility. This 2 metre adjustable kernmantle rope lanyard is ideal for work positioning. A snap hook and an adjustable rope grab, allows for quick and easy positioning when working at height.

Lanyards

The Portwest collection of lanyards are for restraint, positioning and fall arrest systems. Available in different lengths and material types including rope, webbing and elasticated webbing for ultimate wearer choice.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
