

Dated: 12th March 2018

TO WHOM IT MAY CONCERN

We, the manufacturer JSP Ltd, hereby confirm that the height safety products manufactured by us with FAR as the product code have a combined shelf life and working life of 10 years from the date of manufacture.

Fall arrest blocks/Inertia reels should be serviced annually by a qualified service agent.

In summary, if the date of manufacture says 2008 then it may be used until 2018 subject to passing necessary checks and inspections by a competent person.

If you have any queries in this matter then please contact the Height Safety Department.
