Warranty Information

LIMITED WARRANTY: Honeywell warrants that its products are free from defects in material and workmanship. A product that is subject of a warranty claim must first be made available to an authorized Honeywell Safety Product distributor or the to seller from whom the product was purchased. All warranty returns must be shipped pre-paid. Honeywell or the Honeywell Safety Product distributor will then determine whether repair or replacement of the product is the appropriate remedy. This will be done at no charge to the end-user. This limited warranty does not cover any Honeywell product or component found to have been altered, misused, abused, tampered with or improperly maintained or to have deteriorated due to aging of any components made of rubber or any other elastomer. This limited warranty does not cover any damage, loss or expense due to damage caused by accident, abuse, improper maintenance, use or misuse of the product. Honeywell Safety Product should be used only on strict accordance with and adherence to the detailed instructions and warnings provided with the product.
