Hantex® NOVA™

NOVA™ Disposable Glove

Blue nitrile disposable glove, manufactured with a thinner nitrile formulation that increases comfort and improves flexibility without compromising protection. With an AQL rating of 1.5, this robust disposable glove is suitable for a wide range of applications. Complex design EN374 tested for use with a range of dilute chemicals and particularly resistant to oils.

Suitable for food use (see appropriate section and/or box for more details). Free from natural Latex and safe for use by latex sensitive individuals. This glove has excellent dexterity due to the textured finish. These gloves are designed for single use only.

ADDED FEATURES

Textured
Fingertips
