

Product Specifications

Evolution PPE Electric Shock Rescue Point

- A clearly visible, complete wall mounted solution for rescuing and providing first aid treatment to someone who has received an electric shock
- Point incorporates a British Standard Compliant First Aid Kit, a Burn Stop Burns Kit, a Glove Dispenser, an Electric Shock Rescue Hook, Sign and Electric Shock Guidance Poster
- Supplied with an empty glove dispenser allowing you to choose the correctly rated gloves for your workplace
- Rescue Hook is suitable for installations of up to 45kV

This complete electric shock rescue point contains an Electric Shock Rescue Hook, a British Standard Compliant First Aid Kit, a Burn Stop Burns Kit, a Sign and an Electric Shock Guidance Poster.

The rescue hook is designed to manoeuvre or rescue someone who has been electrocuted and is suitable for installations of up to 45kV. The sign provides guidance to the user on safely using the rescue hook.

The first aid kit and burns kit provides essential first aid supplies needed to treat someone who has received an electric shock. The guidance poster provides clear, step by step instructions on providing first aid treatment to someone who has received an electric shock.

The glove dispenser is a clearly labelled case that is supplied empty allowing you to store your correctly rated, suitable safety gloves for your workplace.

Measurement information:

- Kits: 43 x 81cm
- Hook: 1.5m
- Poster: 59 x 42cm
- Sign: 21 x 14.8cm
