Harness for SR 500, SR 700

Model No.
SR 552

Ordering No.
T06-0116

Product Description

SR 552 harness is an accessory for the SR 500 or SR 700 fan unit. The harness increases the number of task options available and retains the comfort factor associated with SR 500. The fan unit can be worn in the lower back or between the shoulder blades. The plate on the back has 3 size adjustments.

Technical specification

SR 552

Material	TPE / Polyester
Colour	Black
