DATA SHEET

ProSolve Thick Bleach (PVTB1 and PVTB5)

Product Description

ProSolve Thick Bleach is a ready-to-use thickened bleach formulated for cleaning, disinfecting and freshening. It contains sodium hypochlorite and added detergents to help remove dirt while leaving surfaces clean and fresh.

Key Features & Benefits

• Thick formula for improved surface contact
• Helps disinfect and clean hard surfaces
• Fresh fragrance
• Suitable for drains and toilets
• Ready to use

Typical Technical Data

Appearance: Viscous liquid
Colour: Colourless to pale yellow
Odour: Chlorine
pH: >11
Relative Density: Typically 1.070 @ 20°C
Solubility: Soluble in water

Composition Information

Contains sodium hypochlorite (1-5%), anionic surfactants (<5%), chlorine-based bleaching agents (<5%) and perfume.

Directions for Use

Use for the general disinfection of drains and toilets.

For general disinfection dilute 1 part product to 80 parts water.
Do not use with other cleaning products.

Limitations

Not suitable for wool, silk, coloured fabrics or metal surfaces such as stainless steel, chrome and similar finishes. Keep separate from acids.

Storage

Store in the original tightly closed container in a cool, dry, well ventilated area. Protect from light. Recommended storage temperature: 5°C to 25°C.

Shelf Life

Refer to batch coding and internal quality procedures. Store as recommended to minimise degradation of active chlorine.

Health & Safety

Classified as causing skin irritation and serious eye damage. Always read the label and Safety Data Sheet before use. Do not mix with acids or other cleaning products as dangerous chlorine gas may be released.

Packaging

1L and 5L HDPE bottle.

IMPORTANT NOTICE

All statements, technical information and recommendations are based on tests we believe to be reliable as at the date of hereof, but the accuracy or completeness thereof is not guaranteed. Please ensure before using the product that it is suitable for your intended use. Since the conditions and methods of use of the product and of the information referred to herein are beyond our control, other than for fraudulent misrepresentation, ProSolve expressly disclaims any and all liability as to any results obtained or arising from any use of the product or reliance on such information.

Consult the Safety Data Sheet prior to use.
