SAMSON AIR CUSHION
ENGLAND

DESCRIPTION

5222 – YATE Air Cushion safety shoe from the **SAMSON Professional** range of products. This is among the most comfortable shoes in the range with a specialized Air Cushion sole to reduce impact when on feet for long hours. The genuine cowhide leather upper offers a padded top cuff for ankle comfort. Using only the best quality 2.0mm leather thickness far more than the average allows for increased durability and wear life. Available in a Ladies Version and also available in half sizes and wide fitting to accommodate all foot shapes. All of our Samson range is manufactured in an **Environmentally Sustainable Factory** equipped with **solar panel roofing, energy efficient machinery and using recycled packaging materials**. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.
