H10020 BUNGEE TETHER TRIPLE-ACTION CARABINER

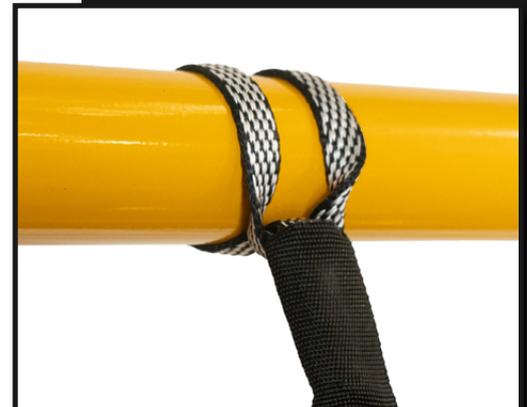

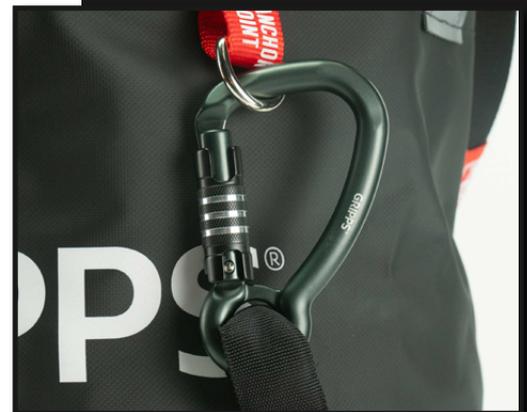

The GRIPPS® Bungee Tether Triple-Action features an oversized triple-action carabiner, elasticised webbing manufactured from robust polyester, and a high-visibility wide tail loop with an additional grip-weave for secure fastening to tools or anchor points.

In addition to its lightweight design, the elastic properties of the bungee material efficiently absorb the downward force generated by a dropped tool.

KEY FEATURES

SPECIFICATIONS

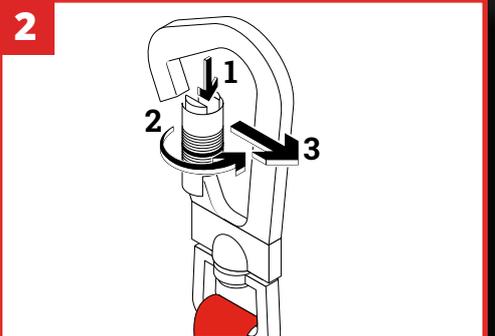

SKU	MAX LOAD	MAX TETHER LENGTH
H10020	18 kg 40 lb	1.8 m 71 in

HOW TO USE

To use the loop end of the tether, wrap the loop around a handrail (or through your tool) then feed the carabiner-end of the tether through the loop.

Pull tightly to create a secure connection on the handrail or tool.

Open/close carabiner as required.

***DO NOT CONNECT A BUNGEE TETHER TO YOUR WRIST.**
