

Grip It® Oil

GIO

Seamless knitted nylon liner with dual nitrile coating

Sectors:

- Construction & Utility • Engineering and Manufacturing • Oil and Gas
- Warehousing, Transport and Logistics
- Waste Management and Local authority

Packing

- 10 pairs per polybag
- 60 pairs per case

SilverClear®

Features

Handling: Providing ultimate abrasion protection and gripping ability. Utilising two layers of nitrile; fully coating the hand and the second coating the palm

Durable: Delivers excellent abrasion protection, durability and a long life expectancy

Comfort: The contoured design together with the soft seamless knitted nylon liner and resilient nitrile coating ensures ultimate comfort

Knit Wrist: Elasticated knitted wrist ensures a secure fit and keeps hands free from dust and debris

Dual Coated: First 'flat' nitrile coating effectively prevents water penetration, whilst the second 'foam' nitrile coating offers long lasting grip in wet and oily settings.

SilverClear® glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mold and bad odours avoiding premature material degradation and discoloration.
