Product information

This premium jacket offers superb comfort in all weathers and is engineered for maximum performance. Waterproof and breathable to the highest standards, this jacket boasts a multitude of features including six pockets for convenient storage and a full length superior 2-way zip fastening. An interactive zipper allows the insertion of a fleece jacket for additional insulation if required.

PORTWEST PWR™

PORTWEST PWR High Visibility series is constructed from state-of-the-art high performance waterproof and breathable textiles. Using innovative technology, the base fabric has been engineered to provide a technical barrier against the elements providing the maximum waterproof, breathable and windproof protection which far exceeds the current highest Class 3:3 requirements for EN 343. In addition the microporous fabric delivers exceptional stretch characteristics ensuring outstanding flexibility for the wearer. The exterior fabric surface is treated with a Texpel finish to protect against water and oil stains.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
