FR101 - FR ID Holder

Collection: Bizflame Plus

Range: Flame Resistant

Shell Fabric: Bizflame Plus: 99% Cotton, 1% Carbon Fibre 210g

Product information

Detachable FR ID holder that can be attached to all garments with radio loops or belt loops.

Bizflame Plus

BizFlame Plus has been developed and designed using a highly innovative flame resistant fabric with added anti-static properties. Constructed from 99% cotton and interwoven with 1% carbon fibres. Excellent tear and tensile strength offer durability while the premium quality cotton fibres give the fabric unrivalled comfort. Inherent anti-static carbon fibre

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
