REFERENCE RULER IN INCHES

INSTRUCTIONS

1. Print this paper. Also remember to choose **“Not to scale or fit”** in the print dialog box.
2. Stand in front of a mirror and Use the ruler in the paper to measure your size as indicated in the picture.
3. Fold the paper in the middle (using the fold line).
4. Cut ‘**A**’, ‘**B**’ or ‘**C**’ according to your size.
5. Place the paper in your face to validate if the size is fitting.
6. If your size is close to two nearest size brackets, Check both the sizes and choose the biggest one.
