PVGALVMOPB

Volume L: 9 (2 Gallon)

Colour: Silver

Material: Galvanised Steel

Dimensions H x D x W mm: 230 x 280 x 330

Weight KG: 1.14

STORAGE & HANDLING:

Galvanised products can last a lifetime, but they can also rust (albeit slowly) if not looked after. Clean galvanised products with mild cleaners and avoid abrasives. Allow the galvanised product to dry thoroughly. Do not store a galvanised product for a long time in a damp and poorly ventilated condition. The storage location should be dry with effective ventilation.

IMPORTANT NOTICE

All statements, technical information and recommendations are based on tests we believe to be reliable as at the date of hereof, but the accuracy or completeness thereof is not guaranteed. Please ensure before using the product that it is suitable for your intended use. Since the conditions and methods of use of the product and of the information referred to herein are beyond our control, other than for fraudulent misrepresentation, ProSolve expressly disclaims any and all liability as to any results obtained or arising from any use of the product or reliance on such information.
