

Product data sheet for

MADE IN GERMANY 

Unrivalled grip in wet conditions. The innovative Hydro-Grip special polymer coating sets a completely new benchmark. This waterproof glove offers increased grip in wet and damp working areas, both indoors and outdoors. Thanks to the cotton fibre on the inside of the glove, your skin will also stay dry all day long. In addition, the uvex profi pure HG is produced at our carbon-neutral site in Germany, is proDERM®-certified and therefore offers the maximum level of health protection.

Features

- excellent water grip thanks to uvex Hydro-Grip technology
- excellent wearer comfort thanks to the high moisture absorption of the cotton lining
- certified skin compatibility (proDerm®)
- Liquid-tight
- Ergonomic fit

Suitability for industrial working environments

- suitable for damp and oily but also dry working environments
