PRODUCED BY Orca hygiene.

## MOULD & MILDEW REMOVER

### INDUSTRIAL STRENGTH FORMULA

Power away mould, mildew and algae with this professional strength cleaner. Removes unsightly mould spots and stains and prevents recurrence.

- Removes mould, mildew and algae fast
- Restores fresh, hygienic surfaces
- Eradicates stains and spots

#### DIRECTIONS FOR USE:

Bleach based formulation - prevent contact with fabrics, clothing and bleach-sensitive surfaces. Spray directly at the problem area, agitate if necessary and allow up to 15 minutes contact time before wiping and thoroughly rinsing.

#### CONTAINS:

sodium hypochlorite, <5% anionic surfactants
