

DeWALT®

PRODUCT NAME

SOUTHAMPTON

KEY FEATURES

- 8000MM Waterproof
- 10,000MM Breathable
- Regular Fit
- Foldaway hood

ITEM DESCRIPTION

Introducing the Southampton waterproof work jacket - your go-to for keeping dry and comfortable on the job site. Built tough with a rip-stop coated outer shell, its waterproof, breathable and light enough to keep you moving freely.

Designed to work as hard as you do, it features a back vent and membrane lining for airflow, keeping you cool and includes a foldaway hood for extra coverage when you need it. Adjustable cuffs and hem ensure the perfect fit.

Upgrade your workwear today with the DeWalt Southampton jacket!
