

BB-DC101 2PC DOOR & WINDOW ENTRY ALARM SET

SPECIFICATION

These small compact magnetic door & window alarms effectively alert you to potential unwanted visitors in your home or office. They have a super loud 90dB alarm which is audible from up to 230m/750ft (depending on environment). They are easy to install with self adhesive backing. Slim & discrete, they are very sensitive & will alert you of an entry, potential break in, or a window/door has been opened with the loud 90dB alarm immediately.

Approx Size: 6cm x 3cm x 2cm (2.1" x 1.1" x 0.8")
Power: 2 x LR44 batteries (supplied)
