

Product Specifications

British Standard Compliant Economy Workplace First Aid Kit (Medium)

- Fully stocked and compliant with BS 8599-1
- Available for small, medium and large kits
- Durable hinged case
- Dimensions: 27x22x9cm

These First Aid Kits ensure you comply with British Standard requirements. Each kit not only offers great value, supplied fully stocked, but also comes in a durable hinged case. The case has a handle that makes the first aid kit easy to carry to the location of the casualty. On the case there is a clear "First Aid" marking as well as a white cross which makes the kit easily identifiable in case of an emergency.

These are highly recommended first aid kits for any working environment. They offer a British Standard Compliant first aid kit at a great value price. A risk assessment should be done in order to assess any other first aid needs, however this first aid kit it is a good starter pack. Click the Contents tab to see the included items.
