Value Travel and Motoring First Aid Kit

- Personal first aid kit for off-site staff
- BS 8599-1:2019 British Standard Compliant
- Ideal for off-site employees
- Comes in a Vinyl Wallet

British Standard requirements for workplace state that off-site employees must have on them a first aid kit. The Travel First Aid Kit in Vinyl Wallet is a compact first aid kit that offers you protection when working away from employer's premises. The first aid kit comes fully stocked and includes first aid guidance leaflet enabling ordinary people to give first aid without special previous training. The Travel First Aid Kit in Vinyl Wallet is suitable for one person. The first aid content is supplied in a vinyl wallet which is compact and easy to transport or store. Refills for the first aid kit can be bought separate when needed.
