Tidy Sack 'Wood & Timber' made in BLUE vinyl

Tidy Sack is the number one solution for waste segregation in the industrial workplace, providing a tidy and cost-effective system that's simple to implement. Tidy Sack products assist with compliance with the current EU & UK waste segregation legislation.

The efficient and cost effective way for businesses to segregate waste and save valuable floorspace in industrial, warehousing, office and retail environments.

Space saving & easy to use design allows for a tidy, safer and more productive workplace.

Manufactured from tough, heavy-duty PVC and designed for use in an industrial environment.

Tidy Sack can be attached to warehouse racking, trolleys, roll cages, shelving, mobile steps and more.

TIDY SACK UNITS

All Tidy Sack units are 115cm tall & 95cm wide at opening. 160 Litre capacity.

Each Tidy Sack is complete in an heat-sealed pack with instillation instructions & 2 S-hooks.
