

## Product data sheet for uvex athletic C XP

The uvex athletic C XP has a comfortable slim-fit design and can be used for precision work with high levels of wearer comfort and cut protection. The slim ergonomic fit allows the wearer to feel and grip workpieces very effectively. The fine-structured, open-pored microfoam coating makes the gloves very breathable, which reduces excessive perspiration. The additional reinforced thumb crotch increases the service life of the glove, making it an extremely cost-effective product.

### Features

- Breathable coating
- Excellent abrasion resistance
- Good grip
- Good fit
- Long service life

### Suitability for industrial working environments

- Suitable for dry and slightly damp work environments

**Material number** 60037
