

**AURELIA® 301**  
Green Flock Lined Nitrile Chemical Gauntlet

**AURELIA® 301**  
Green Flock Lined Nitrile Chemical Gauntlet

**Hand Markings**

**Applications**

12 x 12 pairs

S/7	M/8	L/9	XL/10
301-7	301-8	301-9	301-10

**Product Features:**

**0.4mm Thickness**

The 0.4mm thickness of the nitrile gauntlet provides superior chemical and abrasion resistance, ensuring reliable protection against a variety of hazards in industrial settings.

**300mm Length**

The 300mm length provides added splash protection to the wrist and forearm, ensuring comprehensive coverage against potential hazards, such as chemicals or liquids, in the workplace.

**Textured Palm and Fingertips**

The textured palm and fingertips enhance grip, providing better control and traction, even in slippery conditions, improving safety and productivity in various tasks.

**Flock Lined**

A flock liner offers increased comfort and sweat absorption, keeping hands dry and reducing irritation during prolonged use.

**Outercase Dimensions:**  
400mm x 360mm x 250mm
