

Order Code:

H1200P – Model 1200P hand dryer in polished stainless
H1200S – Model 1200S hand dryer in grained stainless

The **1200P and 1200S** are the latest in the **magnum** hand dryer range. Its high speed motor switches on automatically when your hands are placed beneath the sensor. Your hands will then be dry approximately 15 seconds.

Using only 1200 watts of power, makes it one of the most economic hand dryers around.

Available with a grained or polished stainless front, it is perfect for areas where the client requires amazingly quick drying times.
